### **About Feeding America Southwest Virginia**

Feeding America Southwest Virginia was founded locally in 1981 and proudly commemorates 36 years of fighting hunger and changing lives through community partnerships. For the last three and a half decades, the Food Bank's ultimate mission has remained the same: eliminate hunger in the region. The primary function of the Food Bank is to secure and distribute large quantities of food for Southwest Virginia's hungry. Approximately \$26.5 million worth of food and grocery related products are channeled annually through a network of more than 330 partner feeding programs in our 26-county, 9-city region that provide food or meals to those in need. The local Food Bank is an affiliate member of Feeding America. Visit [www.faswva.org](http://www.faswva.org) for more information or like us on Facebook.
