About Feeding America Southwest Virginia

Feeding America Southwest Virginia was founded in 1981 and proudly commemorates 36 years of fighting hunger and changing lives through community partnerships. The Food Bank is an affiliate member of Feeding America. For the last three and a half decades, the Food Bank’s ultimate mission has remained the same: eliminate hunger in the region. The primary function of the Food Bank is to secure and distribute large quantities of food for the hungry. Approximately \$26.5 million worth of food and grocery related products are channeled annually through a network of more than 330 partner feeding programs in our 26-county, 9-city region that provide food or meals to those in need.
