PURPOSE

The Community Solutions Center Council’s purpose is to be the voice of the community and to provide recommendations and creative ideas to FASWVA and to support community needs through collaborative partnerships.

Specific tasks of the council may include: assisting FASWVA in identification of solutions to Northwest community needs, facilitating cooperation and communication between the CSC and the Northwest Roanoke Community. The Council will also assist the CSC in and developing and facilitating a youth council.

MEMBERSHIP

The Council consists of seven members selected and appointed by FASWVA representatives. These members consist of a cross-section of residents, employers and community organizations from the Northwest Roanoke Community who are committed to devoting their time and energy to moving the CSC forward and solving social and systemic challenges. Members serve for a term of two years.
